Section 15. Emeritus Trustees. Past Trustees are eligible to be elected as Emeritus Trustees of the Wood-Pawcatuck Watershed Association by nomination and majority approval of the Trustees. Emeritus Trustees may attend and participate in meetings of the Trustees, serve on committees, and advise the officers and staff of the WPWA. They do not have voting privileges and their attendance at meetings does not count towards making quorum.

5 Adopted May 2009; amended May 2012 to remove the phrase “The term of Emeritus Trustee is three (3) years and may be renewed.” as it was considered counter intuitive to the term emeritus.
